Aita Heitler is an

Bridge was **Anita Heitler's** way of escaping from the pressures of college classes. After she graduated with a degree in math, Anita started playing duplicate bridge. She found duplicate extremely interesting and an incredible challenge. Over the years she has won many sectional and regional events with her husband Don and a few other favorite partners. She loves teaching bridge and especially enjoys researching an interesting topic and then sharing her findings with her students. At 12:15 today, Anita will be talking about **"Support Doubles."**

**Judy Randel** is a Grand Life Master who has moved to rural Colorado from Albuquerque. Judy always plays at the highest levels and has a solid record of wins against the best players around. Judy plays a solid brand of 2/1 game forcing. Judy plays with many partners and always is in the winner's circle. She loves bidding but she plays hands with a flair by deducing what the opponent must have for his bid or lead. She is a devoted teacher and dotes on the progress of her students and once they are one of Judy's students, they always ask her to play with them again or give them advice. Come hear Judy's lecture at 6:15, **"Reverses."**
