**A Maintenance Matter.....**

A hotel guest calls the front desk and the clerk answers, "May I help you?"

The man says, "Yes, I'm in room 858. You need to send someone to my room immediately. I'm having an argument with my wife and she says she's going

to jump out the window."

The desk clerk says, "I'm sorry sir, but that's a personal matter."

The man replies, "Listen you idiot. The window won't open... and that's a maintenance matter."

1. **Will the Real Dummy Please Stand Up?** AT&T fired President John Water after nine months, saying he lacked intellectual leadership. He received a \$26 million severance package. Perhaps it's not Walter who's lacking intelligence.
2. **With a Little Help from Our Friends:** Police in Oakland, CA, spent two hours attempting to subdue a gunman who had barricaded himself inside his home. After firing ten tear gas canisters, officers discovered that the man was standing beside them in the police line, shouting, "Please come out and give yourself up."
3. **What Was Plan B?** An Illinois man, pretending to have a gun, kidnaped a motorist and forced him to drive to two different automated teller machines, wherein the kidnapper proceeded to withdraw money from his own bank accounts.
4. **The Getaway!** A man walked into a Topeka, Kansas, Kwik Stop and asked for all the money in the cash drawer. Apparently, the take was too small, so he tied up the store clerk and worked the counter himself for three hours until police showed up and grabbed him.
5. **Did I Say That?** Police in Los Angeles had good luck with a robbery suspect who just couldn't control himself during a lineup. When detectives asked each man in the lineup to repeat the words: "Give me all your money or I'll shoot," the man shouted, "that's not what I said!"
6. **Are We Communicating?** A man spoke frantically into the phone: "My wife is pregnant and her contractions are only two minutes apart." "Is this her first child?" the doctor asked. "No!" the man shouted, "This is her husband!"
7. **Not the Sharpest Tool in the Shed!** In Modesto, CA, Steven Richard King was arrested for trying to hold up a Bank of America branch without a weapon. King used a thumb and a finger to simulate a gun. Unfortunately, he failed to keep his hand in his pocket. (hellooooooo)!
8. **THE GRAND FINALE!** Last summer, down on Lake Isabella, located in the high desert, an hour east of Bakersfield, CA, some folks, new to boating, were having a problem. No matter how hard they tried, they couldn't get their brand new 22-foot boat, going. It was very sluggish in almost every maneuver, no matter how much power they applied. After about an hour of trying to make it go, they putted into a nearby marina, thinking someone there may be able to tell them what was wrong. A thorough topside check revealed everything in perfect working condition. The engine ran fine, the outdrive went up and down, and the propeller was the correct size and pitch. So, one of the marina guys jumped in the water to check underneath. He came up choking on water, he was laughing so hard. Under the boat, still strapped securely in place, was the trailer!

"Sunshine is delicious, rain is refreshing, wind braces us up, snow is exhilarating; there is really no such thing as bad weather, only different kinds of good weather".  
John Ruskin

Rap music sounds best if you listen to Rock N Roll instead.

Don't just teach your children to read. Teach them to question what they read. Teach them to question everything.
