## **DENVER BRIDGE BOARD NEWS**

**FALL 2009**

### *From Ruth Pana, President ACBL Unit 361*

The Unit Board would like to thank departing board members, Don Boyarsky, Lew Dorough, Bill Johnson and Merl Needham for their wonderful service on behalf of the bridge community. **Don Boyarsky** has been a member of the present board for three years. He has served as sectional tournament chair and I/N chairman. **Lew Dorough** has been responsible for all tournament supplies, that's six tournaments a year plus the regional—lots of tables, bidding boxes and bridge boards.

**Bill Johnson** retires from the board after two years and has coordinated the North American Pairs as well as schedules for the Unit's many clubs plus recording minutes at each of our meetings. **Merl Needham**, membership chairman for the past three years and our resident photographer, will also leave the Board. Be sure to give all these dedicated Board members a big "Thank you."

The new slate of board members will be presented at the November annual meeting. I, along with Chuck Anderson, Maxine Divine, Don Heitler, and Jerry Newcomb will finish our two-year terms in 2009-2010.

A special thanks to all the volunteers helping us with sectionals and regionals (see Jerry's column). And a special thanks to our great hospitality chairman, Maxine Divine. We truly have the **"best hospitality in the west."**

At the Newcomer-Intermediate Tournament in April **THE TRAVELING SUSAN DITTMER MEMORIAL TROPHY** was awarded for the most master points earned in the two-day event. The winners were **Marjorie McDonald** of Castle Rock, CO and **Linda Washburn** of Larkspur, CO.

**FRONT RANGE CHALLENGE WINNER....**The event was held on Saturday, September 26, 2009 in Colorado Springs. The winner for **2009-2010** is **DENVER**. Thank you, Colorado Springs for being such gracious hosts. The event consisted of four strats. The 32 teams played pairs in the morning and Swiss Teams in the afternoon.

### *Denver Regional May 25-31, 2010*

*From Jerry Newcomb, Chair, Denver Regional*

We are looking forward to another successful regional in 2010. Our attendance in 2009 was 2,073 tables, making us the second largest District 17 Regional tournament behind Las Vegas. 2008 was a banner year with 2,213 tables. Our Unit had a surplus of nearly \$10,000 on our Regional in 2009. This money is used to produce our Table Talks, directories, support two I/N Tournaments and provide us with a healthy financial position.

Once again, the tournament will be held at the Renaissance Hotel at Stapleton. We are in the process of renewing our contracts with that hotel through 2015. Recent renovations make it a wonderful in-town vacation.

One reason for our success is the attention we pay to our newer players. ACBL members with fewer than 5 master points play free. A reception is held for newer players to give them a chance to mingle. Another reason we are so successful is the willingness of our unit members to help the tournament chairs and volunteer in many capacities to make people feel welcome at our tournament. Thank you for helping us make the hospitality desk, partnership and photographer available before the games.

By adding a single session Swiss Team event on Wednesday at 9:00 a.m. on the advice of Gary Zeiger, Tournament Director there will be a team event available for every session during the tournament.

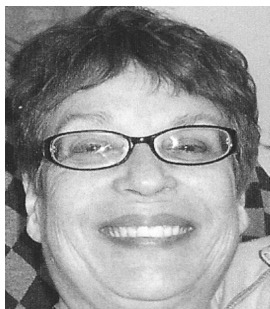

Our Open Daylight pairs continues to be very popular event and makes us somewhat unique as most tournaments restrict this event to Seniors. Board-A-Match is another event unavailable at other tournaments. It is played much like a pairs game, but each board's results are compared with only one other team; if you win the board, you get one point, lose it, get a zero. Try it if you haven't.

# *Candidates for Election to Denver Unit Board*

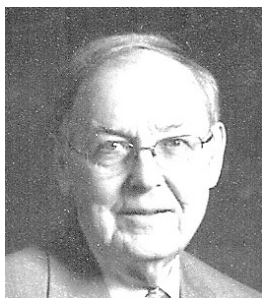

## **James Craig Calhoun**

In 2005 I was asked to take the Cheyenne Unit Board position of Education Chair and Parliamentarian. I also became a certified Bridge teacher in Wyoming. In 2008 I moved to Arvada and currently one of my projects is to start a Youth Bridge program in the Denver area.

## **Carol Levinson**

I have enjoyed playing bridge for many years. Now that I am fully retired, I have extra time to devote to my interests and thought serving on the Board would be interesting and could expand my knowledge of the Bridge community. I have enjoyed participating in the local area tournaments and would like to be involved in the planning end.

## **Jerry Marrs**

I am interested in becoming a member of the Unit 361 Board. I have enjoyed bridge for most of my life and would like to be part of its continued success. Duplicate bridge is exciting because it is competitive and challenging, but I strongly believe it should be fun and a place to meet new friends. We need to continue to look for ways to encourage new players to participate in tournaments as well as local clubs...

## **Rob Vetter**

I've been playing bridge off and on for 20 years and have seriously pursued bridge competitively for the last 3 years. I believe that while bridge can be a serious sport for many, there are important recreational, social and educational aspects to the game. Games should be convenient and accessible, fair and friendly. I am a father of a teenage son, an avid Rockies fan and a software engineer for a multi-national firm...

## **Carol Wendt**

Bridge became a big part of my life about 5 years ago. I believe in giving back, and have been happy to serve as the caddy chairman for the last 2 years. I hope we can keep finding more people to introduce this wonderful game to.

## **ANNUAL MEETING**

On Thursday, November 12, the annual membership meeting will take place at 6:45 pm.

Each year at this time we have our Fall Election, selecting candidates to serve on the Denver Unit 361 Board of Directors for two-year terms.

In accordance with Unit 361 By-laws Don Boyarsky, Unit 361 Vice-President, chaired the nominating committee for the selection of the (5) open positions for the 2008-2009 Unit 361 Board of Directors. He would like to thank the following Nominating committee members: Mary Fulton, Lori Beard, Maxine Divine and Michael Schneider for their help in the selection process.

The candidates seeking office are listed on this page. Hope to see you at the meeting on Thursday!!!

## **TOURNAMENT INFORMATION by E-MAIL**

If you want to receive tournament information from the ACBL you need to provide them with your e-mail address. If you want to receive information from Unit 361 on upcoming tournaments you need to contact the membership chairman or go to

# NORTH AMERICAN PAIRS

*Bill Johnson, Unit 361 NAP Chairman  
and Secretary*

Congratulations to the 385 people who qualified for the NAP District 17 Finals in Unit 361 Bridge Clubs this year! But what does that mean?

The months of June, July and August are the start of the Annual North American Pairs (NAP) competition. All competition starts at the Club level, then to District Level and then the ACBL Finals. In the Denver area 3 clubs held qualifying events this year - Denver House of Cards, Denver Metropolitan Bridge Studio and The Bridge Club. The competition is under the jurisdiction of the ACBL, but there are some differences in the Conditions of Contest from District to District. However the stratifications are the same throughout the United States. The stratifications at all 3 levels:

Flight A - Over 2,000 master points at June 1, 2009  
Flight B - 500 to 2,000 MP at 6/1/09  
Flight C - Less than 500 MP at 6/1/09

In District 17, which covers Colorado, New Mexico, Arizona and parts of Wyoming and Nevada, the next step for pairs who qualified at the Club level, is the District 17 NAP Finals. The District Finals will be held at the Ruidoso, New Mexico, Regional during the week of October 5-11, 2009. The top three pairs from each strat at District qualify for the ACBL NAP Finals to be played in Reno, Nevada, at the North American Bridge Championship (NABC) in March 2010.

# MEMBERSHIP

*By Merl Needham  
Unit 361 Membership Chairman*

During the past three years as membership chairman I've endeavored to correct as many addresses and phone numbers as possible. It'll probably never be 100% accurate, but I get fewer complaints. It has been an honor to serve on the board, and it has been a pleasure to serve under three outstanding presidents: Ruth Pana, Penny Coffman, and Kristi Endelicato.

Our unit should be proud of the success of our tournaments, and it has been satisfying for me to be a part of that achievement. Our membership is growing.

*Since January, 2009 we have 70  
new members, and there are now  
1,118 active members in our unit.*

Bidding went as follows:

South	West	North	East
		P	P
1S	P	2C	X
4S	P	P	P

Lead: King of Hearts

After three card Drury, south bid game in spades. West lead the king of hearts which was ducked, and west shifted to the 10 of clubs which won and west continued with the seven of clubs to the nine and trumped by south. South now won the ace of hearts and trumped a heart. North played the ace of spades and saw east show out. South finessed the nine of spades, which west won with the queen, and played another club, which was ducked to the jack and trumped.

It was now too late for the defense. South now ran his good spades pitching diamonds from the dummy and east was squeezed in the minors so north south made four spades, an impossible contract! West had to break up the squeeze by playing diamonds at some point, but he was reluctant to break that suit.

**A SIX-DAY EVENT,  
56 BOARDS A DAY  
AND SECOND PLACE.**

*Pictured McKenzie Myers, Jon Brandon, Michael Sherman,  
Peggy Ware, Spencer Jones and Garth Yettick*

They had a six-person team. It was the Nationals in Washington, D.C. and they decided to play in the 0-5000 Spingold. The six-day event consists of playing 56 boards a day. Most of the team played in a 3-day pairs event just before the Spingold started and even in some of the mid-night Knockouts. Four people are members of Unit 361.

Yettick (technology research analyst for Janus here in Denver) and McKenzie Myers (full-time bridge player from Portland, OR); Spencer Jones (engineering student here in Denver) and Peggy Ware (Denver family law attorney); Jon Brandon (radiology resident in Denver) and Michael Sherman (math student in Chattanooga, TN)

According to Peggy, they had a great but tiring time. The final three days were played behind screens which they enjoyed but it made the 56 boards each day quite a bit longer. "It was exhausting" she says, "but it helped to have six of us so that we only had to play 2/3 of the boards. Everyone got along well, kept a positive attitude and played great."

In the finals they played a formidable team headed by Jay Whipple. His 5-person team included 4 young, professional and semi-professional players: David Grainger (on Canadian National Team), Kevin Dwyer (on US's Junior National A team), John Rice and Owen Lien (on US's Junior National B team). Both Grainger and Rice were also on the winning mini-Spingold team in 2008.

What about next year? "Hopefully," Peggy says, "and hopefully with the same team."
