## Message from the President

A retroactive look at 2018 shows that Unit 361 and the game of bridge are doing well. We have gotten our finances in order and hope to start increasing our spend on our Novice / Intermediate programs and grow those along with increasing our hospitality at our four sectionals and our regional.

As you will read in the New Player article by Wayne Eckerling, development of our new players is a priority for the board and we have several things we will be rolling out for these programs. I hope our new player group will take advantage of these new initiatives and I look forward to seeing you at our sectionals and our regional. Also I cannot stress enough: If there is something you as a new player would like to see please contact a board member with this information.

Be prepared to see the unit website currently at [DenverBridge.com](http://DenverBridge.com) to move to [DenverBridge.org](http://DenverBridge.org). Rob Vetter is doing an outstanding job laying the groundwork for this. It will be transparent for you, the end user, but it will greatly simplify certain aspects of the website and how we conduct business behind the scenes. Stay tuned for more information as we get closer to making the move.

It has been a good year thanks to the hard work and dedication of the board members and others who are generous with their time in helping. I look forward to what 2019 will bring and I hope we will be able to continue making the great game of bridge continue to grow in Denver and along the Front Range!

Best of luck in the rest of 2018! See you at the table!

Rick Gardner  
President, Unit 361

## Candidates for Board – 2018-2019 Term

The nominating committee is pleased to present the following candidates for the Unit board, for the two-year term beginning in 2018. The list is in alphabetical order.

**The election will be held at the annual membership meeting, 2:45 pm on Saturday, November 11, 2017, just before the second Saturday session.**

Julie Clark

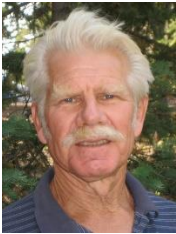

Hi,

My name is Julie Clark, and I would like to represent you as a member of the Denver Unit 361 board.

I have been a member of the ACBL for 30 years. Due to work requirements and some personal responsibilities, I curtailed my bridge playing for several years, attending bridge games only sporadically. I recently retired and have returned to the bridge world with great enthusiasm.

I relish the opportunity to merge the skills I acquired professionally with my love of bridge and pay back some of what I have received from the bridge community. My main goals as a member will be to contribute to the unit in whatever capacity is needed, to provide an atmosphere that is pleasant and competitive to players of all abilities and to promote the game of bridge in an effort to ensure the future of the game in the Denver area.

Vard Nelson

I have been playing off and on since about 1963. Socially until 2009, when I played my first tournament, the Fall Sectional in Golden. Had a wonderful time, and was hooked. Played in Hungary, including my first international tournament, then back in the U.S., then played in Poland for a year and a half, finally back to the U.S.

I think the reputation of Denver Bridge has its foundation in how well we attract top flight players to our events. As such, we should pay close attention to the kinds of events our A Level players want to play. And, I think the future of Denver Bridge rests on how well we can attract players who are new to tournament play.

I have served on the board for the last two-and-a-half years, initially filling a vacancy. If re-elected, I will continue to work to support our elite players, attract those new to tournaments, encourage those in the quest for the ever-elusive Master Points, and welcome all the players who just love this game!

Bob Stansbury

I have been playing bridge for the last 60 years and been a member of Unit 361 for the last 10 years. I have been a member of the Unit 361 board for the last two years, responsible for our Sectionals and assuring that we have sufficient supplies to properly conduct our tournaments. I look forward to continuing with the other board members in guiding the unit into the future, providing you with well-run tournaments.

## Candidates (continued)

Joe Jenkins

I have been a member of ACBL since 1996. At that time, I was living in Colorado Springs and was very active with Unit 360. I was Vice President of the Unit 360 Board for two years. With Bonnie Bagley, we initiated the Novice program and coordinated the first couple of years of Unit 360 IN Sectional Tournaments before handing it off to other volunteers. I supported Unit 360 Sectionals and Regionals and was responsible for developing the flyers for the tournaments and assisting throughout. I also developed the first website for Unit 360. I am a ACBL-qualified Director; and hosted games (with a full dinner, yes I know how to serve food!) in Colorado Springs for three years before moving back to Denver in 2015.

As a member of Unit 361, I recently took on the responsibility of Hospitality Chair for the remainder of 2018 beginning with the Summer Sectional. I hope you enjoyed the meals and snacks we provided because I believe that great hospitality makes for happy bridge players who can focus on their game. My goal as the hospitality guy is to receive only compliments. If you have special dietary needs, please let me know. I will make sure you are appropriately served. I am very pleased to be part of the Unit 361 Board which is staffed by competent and dedicated Unit members who focus on providing you the best service possible at our sectionals and regionals every year.

Finally, I have extensive experience working on non-profit boards. From 2002 through 2017, I held positions on both the local and national Board of Directors of the Alliance of Hazardous Materials Professional. I was president of the local chapter in 2008 and president of the national board in 2016. You might ask what does hazardous materials have in common with bridge and I'd say very little; but Boards all operate in a very similar fashion. Boards are fiscally responsible for the organization, work to build their membership, host events, market services, and serve their members. I look forward to being part of this wonderful team for another two years.

Wayne Eckerling

**Bridge:** I played a bridge in college and then began playing regularly in 2013. I play about three times a week. I have served one term on the Unit 361 Board and would like to serve a second term. My responsibilities have included serving as tournament chair for the Rocky Mountain Regional and the Unit's spring and fall I/N tournaments.

**Career:** I worked for the Denver Public Schools for 34 years as a teacher, psychologist, and administrator. From 1997 through 2005 when I retired, I was an assistant superintendent with responsibilities that included planning, research, testing and evaluation, federal programs, and curriculum. Since retiring, I have worked as consultant to schools and organizations focusing on educational issues.

**Volunteer Activities:**

I currently serve on the Board of my neighborhood association and previously served on the Board of the Colorado Autism Society. From 2008 to 2014, I was on the Colorado Charter School Institute Board of Directors and served as Board chair for four years.

**Education:** B.A. - Williams College (economics); Ph.D. - University of Colorado (educational psychology)

**Hobbies (other than bridge):** Skiing, hiking, running, a little yoga, and working in the garden. I also enjoy the theatre and opera.

**Family:** Wife, Marilyn; daughter, Samantha; son, Nick

## Tournament Schedule 2018—2019

Event	Date
November Sectional	November 9-11, 2018
January Sectional	January 11-13, 2019
March Sectional	March 8-10, 2019
April IN Sectional	April 27-28, 2019
Rocky Mountain Regional	May 21-27, 2019
July Sectional	July 12-14, 2019
Fall IN Sectional	October 12-13, 2019
Fall Sectional	November 8-10, 2019

## Award Winners

*Lou Neff Award 2018:* David Caprera

*Frank Thorwald Trophy 2018:* Gordon and Cathy Graves

*Colorado Victory Trophy 2017:* Peggy Ware

*Susan B. Dittmer Trophy:*

- Fall 2017: Earl Edwards and Constance Roberts
- Spring 2018: Scott Laudert and Fred Cannon
- Fall 2018: Not known yet

*Kiningham/Woodward Trophy 2017:* Mark and Jennifer Burton

What are these awards? See right.

## Friday Nights at the Sectionals

So as the bridge demographic changes night games are slowly becoming harder and harder to get solid attendance for. This is a primary reason for the change in schedules for the Sectionals to 10am and 2:30pm for the primary start time but we also want to acknowledge that there is a group of people who still work and look for a night game when possible.

With that in mind we are still trying to keep the Friday night game at the 4 Sectionals alive with a rotating format for the 4 games. Our current thinking is to hold, not necessarily in order, an individual movement game, an Eight is Enough team game, a straight up normal Swiss game, and a "Swiss Pairs" game. New formats may be added and if you have a favorite format please let us know!

We hope people will find these events interesting and will continue to come out and enjoy the competition!

## Awards ?

*Lou Neff Award:* Given to the Colorado player winning the most points at the Rocky Mountain Regional.

*Frank Thorwald Trophy:* Given to the person(s) winning the most points in 199er events at the Rocky Mountain Regional.

*Colorado Victory Trophy:* Given to the player(s) scoring the most points by finishing in the top three places of the top flights in Team and Open events at ALL Colorado sectional tournaments.

*Alice Kiningham/Bob Woodward Trophy:* Given to the person(s) scoring the most points in the 299er events at the four Unit 361 open sectionals.

*Susan B. Dittmer Trophy:* Given at each IN sectional to the player or players winning the most points at that tournament.

Table Count	2017	2018
January	337.5	413.5
March	421.5	438.5
IN April	61.5	78
Regional	1722	1904.5
July	385	467.5
IN October	N/A	N/A
November	N/A	N/A

## Denver's New Top Master Point Holder: Brad Moss (courtesy of Peggy Ware)

When 2017 Bermuda Bowl Champion, Brad Moss, moved to Denver 6 years ago as a new quadragenarian, he hoped to convince his LA wife that she could survive cold weather. Brad had recently closed his hedge fund business and was eager to leave the posh and deceptively laid-back world of Marin County, CA. The couple and their two young children visited several cities. With Brad, a NYC native of almost 35 years, and Jen, a Valley girl, finding a compromise relocation point presented no small challenge. As luck would have it, the two fell in love with the mile-high city and since have embraced it as their permanent home.

Brad plays bridge at a level and intensity that few can grasp. His imagination, tenacity and work ethic have led him to amass a stunning list of bridge accomplishments, including ACBL and WBF Grand Life Master, 2x World Champion, 12x National Champion, King of Bridge and Player of the Year. His successes away from the bridge table as a market maker, trader and hedge fund manager are similarly impressive. Brad's talent for market analysis gave him healthy financial independence by the age of 25 and enabled him to retire from the financial world at the age of 40. Brad now splits his time between fatherhood and professional bridge.

While remaining a fierce and dangerous competitor, Brad's personality has evolved and mellowed over the years. Once known for his exuberance and loud mouth, Brad has managed to shake off much of the brashness of his youth. Graying hair, an amazing wife, and parenthood have accentuated his humility, generous spirit, and sense of humor. These less-publicized qualities define him more completely and make him a deeply cherished partner, friend, teammate, father and mentor.

Brad volunteers a considerable amount of time promoting and enhancing bridge. In 2015, he devoted countless hours to helping Boye Brogeland take down top pairs long suspected of collusive cheating. He now serves on the ACBL's Anti-Cheating Commission, working with the organization to make it more proactive and effective at policing the game. He also serves on the board of the US Bridge Federation, and does many other things such as chairing ethics committees, giving talks at regionals, playing in Pro Am events, and mentoring other players.

The picture below was taken in 2015. It is the Moss family: Jennifer, Brad, Cian (now age 10) and Lyra (now age 8). Missing from the picture is Aji, the family's beloved 4-year old Korat cat.

\* and a national title

## Online Directory

Thanks to Rob Vetter, with assistance from Sheryl Siegel, Unit 361 now has an online directory. You can find it on the Denver website ([denverbridge.com](http://denverbridge.com)) in the Membership menu.

## **The State of the Regional**

*By Rick Gardner, Unit 361 President*

The State of Regional:

I don't know about you but to me there is nothing quite like the "BUZZ" of a big bridge tournament... whether it is going to your first National (I have been to one or two) or riding the escalator down to the bottom floor at the Renaissance where we host our annual Regional in late May. I find the excitement palpable and I love it... as I love the competition the Regional offers.

I feel we are in quite a nice position on the annual schedule and as such we get quite a number of out of town people coming to play, including many pros and their teams. We have made the transition to a more Daylight - oriented schedule and our table count has stabilized nicely. The hotel has accommodated our transition nicely with making food available between the sessions and staffing accordingly to get food to the players in a timely fashion. The Renaissance has also finished their upgrades to their accommodations with the only drawback being the RTD A Line whistle, but hopefully that will stop soon.

In 2018 we put up a lot more signage to help people find their events, and I hope everyone found it useful. I do realize that there were a couple of times

where some team games were split up into different rooms but I ask you to please realize that the directors do their absolute best to make the most sensible decision when it comes to putting which event in what room... there are limitations.

I would like to take a moment and make sure everyone, particularly our newer players, aware of 2 special items. First is the Speaker program where we get 5 Pro's and highly distinguished teachers to provide a 30-minute lecture on a subject and then conduct a Q&A... if you have not taken advantage of this in previous years I highly encourage you to do so at the upcoming Regional. There will be Poster boards around announcing the person, subject, time and location each day. The second item I would like to highlight is the Pro-Am game that happens early in the tournament... if you are an "Amateur" I would like to recommend you take advantage of this opportunity to play with a "Pro".

To wrap this all up I would like to take a minute and ask any and all of you to please bring anything that comes to mind about the regional to a board member... we work very hard to make this tournament as enjoyable as possible to everyone but we are also human and might miss something... so please contact/inform a board member on anything that comes to mind that is tournament related... Thanks and see you at the tables!!

## **District 17 Update**

*By Jennifer O'Neill, Treasurer*

District 17 is comprised of 21 units, one of which is Denver Unit 361. The other units are from AZ, CO, NM, Las Vegas, El Paso, Moab Utah & southern WY. The district currently has 9075 members & of that Denver's membership is 1375. Beginning in 2019, the size of the board is reduced from 14 to 10 & Unit 361 will only have one representative. Jerry Ranney will be leaving. He has served on the board for 9 years and has held many positions including President. He will be greatly missed and we thank him for his years of service and leadership.

Due to the high costs of producing & mailing a paper newsletter, last year D17 decided to leave the Western Conference (other member districts are D21, northern CA & D22 southern CA excluding Los Angeles) & produce its own online edition. In February 2017, the other units agreed and changed the purpose of the WC to run only the STAC

(Sectional Tournaments at Clubs) 3 times a year & to allocate the proceeds to the Districts after expenses. D17 changed its decision to leave the Western Conference & will share in the STAC revenue. This money will help fund the costs of our online publication still named the Scorecard. District members receive an email bimonthly letting them know that the new publication is available. If you are not receiving these notifications, please log into the ACBL website and update your information. In addition in those months where the Scorecard is not published, a short newsletter, Bridge Buzz is sent.

In addition to the email notifications, D17 developed apps for both the Android & Apple devices. These are free! With your device just go to the store or market place & download them. The D17 board is meeting again at the Colorado Springs Regional in October. At that time we will be considering how best to support the units. Possibly a

## **District 17 Update Continued:**

reduced sanction fee or additional grants to the units (or both) will be discussed. Another new upcoming possibility is that the District will run a regional in Las Vegas in the summer of 2020 instead of the unit.

## **Congratulations to Hachy Pennell, Unit 361s latest Platinum Life Master**

Hachy Pennell of the Denver Unit has joined the elite group of platinum life master bridge players as she attained 10,000 points. Hachy has over 30 Blue Ribbon Qualifications that she attained while playing most of the time with her favorite partner, her husband Roger. Hachy and Roger are one of the top, competitive pairs in Denver and have been active in the bridge scene for many years. I am fortunate to count myself in the list of other players that she has played with since she began playing in 1965.

Anyone who knows Hachy knows that she is a quiet paragon of perfection in anything she does and is. She is a kind, loyal friend and a treasured asset to the bridge community and she lets me be the comedian at the bridge table and doesn't hang me. It is a delight to acknowledge her achievement.

Bonnie Smith

## **New Player Development**

*By Wayne Eckerling, Unit 361 Membership and Education Chair*

A high priority for the Unit 361 Board of Directors is to increase the number of newcomer and intermediate level bridge players who regularly compete in tournaments. Recent actions to accomplish this include the following:

1. Beginning in fall 2018, included a special game for players with 0-10 points at the Unit's I/N tournament
2. Beginning in 2019, having a special I/N day that will include discounts, promotions, and prizes at the Rocky Mountain Regional
3. Are considering whether or not to offer a non-life master regional in conjunction with one of the regularly scheduled sectional tournaments
4. Beginning in 2019, will have a 0-50 masterpoint section (if registration is sufficient) at the Rocky Mountain Regional
5. Beginning at the Summer 2018 Sectional, added a 0-20 masterpoint section with a hand discussion following the event, and changed the 299er events to non-life master events.

The Board's objective is to try to create a tournament atmosphere that is not threatening to newer players and provides them opportunities to make connections with their peers as well improve their bridge. Continuing efforts to support newer players include the pro/am event at the regional tournament, youth and junior discounts, educational speakers at the regional tournament, and \$10 entry fees at the I/N tournament including lunch. In the past, mentoring and coaching programs have been offered.

If you have an idea for how to encourage more newer players to participate in tournaments, please contact a board member or email them to [intermediate\\_novice@denverbridge.org](mailto:intermediate_novice@denverbridge.org).
